## ALTO TABLE

Elevate your workspace with the ALTO Round Table. Featuring a sculptural conical pedestal base and a premium marble-look circular top, ALTO brings refined elegance to any lounge or collaborative setting. A discreet built-in central power socket keeps devices charged without disrupting the clean silhouette. Available in Volakas white and Graffito black finishes, it pairs effortlessly with modular seating for reception areas, breakout zones, and executive lounges. Its versatile design makes it a perfect fit for both modern and traditional interiors. The durable materials ensure longevity, while the easy-care surface maintains its beauty with minimal effort. Whether you're hosting a meeting or enjoying a quiet moment with a cup of coffee, the ALTO Round Table enhances any environment with its blend of functionality and style. Its thoughtful design invites conversation and collaboration, making it an ideal centerpiece for fostering creativity and connection in any space.

## ALTO ROUND TABLE

A sculptural conical pedestal base paired with a premium circular top in Volakas white, Graffito black, or tempered glass. Built-in central power socket for seamless device charging. Available in multiple colour wraps to complement any workspace palette.
