SHOWROOM

ALUMINUM BASE

Crafted from high-quality aluminum with a mirror-like electroplated finish. It boasts excellent strength, wear resistance, and protection against rust and corrosion, making it ideal for long-term fixed furniture use.

HIGH DENSITY FOAM

The product provides excellent durability and support, preventing sagging and maintaining its shape, leading to a longer lifespan and a stable, comfortable seating experience.

ZIG ZAG SPRING

Built for longevity, our seating features heavy-gauge Zig Zag sinuous springs that ensure structural integrity and consistent shape retention over years of use.
